

LEADER LINKS

About the LEADER LINKS...

The Leader Link is a weekly message delivered via email to support character development, good citizenship and social responsibility. The Leader Links address the same character traits that our students focus on throughout the week. Each Leader Link provides a simple definition, an inspiring quotation, a thought provoking question and an action prompt to encourage you, your friends, associates or group to consciously incorporate each quality into daily living.

GOOD CHOICES

Definition:

A GOOD CHOICE means making the right decision and choosing to do something that is good for you or others.

Leader's Message:

You are the master of your destiny. Although it may be more convenient to blame others for what occurs in your life, the fact is that you control your destiny. And, you do so by the multitude of choices that we all make each and every day. Your life is the sum of all the choices that you make. As you navigate through life, realize that you are charting your course with every choice you make. If you don't like the direction that you are going, you can change things by changing the choices you make!

Food for thought:

Consider this quote by Dr. Robert Schuller:* "If it is going to be, it is up to me." Do you agree with it or not?

Action Prompt:

Choose to have a great day! Each choice we make has a ripple effect in our lives. It is important to remember that when things happen to us, it is the reaction we choose that can create the difference between joy and sorrow. We may also forget that not making a choice when given the opportunity is in itself a choice. Today, make every choice a good one.

- Choose to smile.
- Choose to be patient.
- Choose to be kind to others.
- Choose to be a good citizen.
- Choose to be responsible at work.
- Choose to have a positive attitude.
- Choose to eat healthy and exercise.
- Choose to be the best person you can be.
